

ABA: 73817983

Pn

A brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is color-coded, with blue representing lower intensity and yellow representing higher intensity. The brain's structure is visible, including the cerebral cortex and subcortical regions. A vertical line is drawn through the center of the brain, possibly indicating a midline or a specific anatomical plane. The text 'ABA: 73817983' is in the top left, and 'Pn' is in the bottom left.
