

ABA:74272037

LH

This is an axial PET scan of a human brain. The image shows a cross-section of the brain with various structures visible. The color scale indicates metabolic activity, with blue being the baseline and yellow/green indicating higher activity. A vertical line and a horizontal line intersect at the center of the brain. The label 'ABA:74272037' is in the top left, and 'LH' is in the bottom left.
