

ABA: 74514294

VMH

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a complex, textured pattern of blue and cyan fluorescence, representing the ventral medial hypothalamus (VMH). The right half of the image is a solid, uniform blue color. The text 'ABA: 74514294' is located in the top left corner, and 'VMH' is located in the bottom left corner.
