

ABA:748

SPa ventral

A fluorescence microscopy image showing a symmetrical, ventral view of a SPa structure. The image is divided into four quadrants by a vertical and a horizontal white line. The structure is primarily blue, with a bright, curved line of fluorescence along the bottom edge of each half. The top half of the image is labeled 'ABA:748' in the top left corner, and the bottom half is labeled 'SPa ventral' in the bottom left corner.
