

ABA:76081936

SCN

A blue brain scan image, possibly a PET or SPECT scan, showing a cross-section of a brain. The image is divided into four quadrants by a vertical and a horizontal white line that intersect at the center. The text 'ABA:76081936' is located in the top-left quadrant, and 'SCN' is in the bottom-left quadrant. The brain tissue is represented by a blue color, with some areas appearing slightly brighter than others, indicating varying levels of activity or density.
