

ABA:77340478

VMH

This image is a coronal section of a brain scan, likely from a rodent model. A specific region in the medial prefrontal cortex is highlighted in blue, indicating a site of interest or activation. The label 'VMH' (ventral medial hypothalamus) is positioned in the bottom left corner. A white crosshair is centered on the image, with the alphanumeric code 'ABA:77340478' in the top left corner.
