A posterior

A brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is predominantly blue and black, with a central region of high intensity (yellow/red) indicating a localized area of activity. A white crosshair is overlaid on the image, with the vertical line passing through the center of the high-intensity region. The text "ABA:77454705" is visible in the top left corner, and "A posterior" is visible in the bottom left corner.
