

ABA:79904732

OB anterior

A fluorescence microscopy image showing two distinct, bright blue fluorescent spots. The spots are roughly circular and positioned symmetrically on either side of a central vertical white line. A horizontal white line also crosses the spots, forming a white crosshair. The background is black. The text 'ABA:79904732' is located in the top left corner, and 'OB anterior' is in the bottom left corner.
